Career Objectives

I plan to begin my career as a young engineer in a reputable software firm with an energetic and encouraging work environment in order to expand my abilities and experience. On the side, I continue to offer my services as a freelance web designer. I am a goal-oriented, detail-oriented professional with a track record of shaping up and consistently improving operations in my field of work.

Education

July 2016 – July 2018

CGE- Cambridge O'levels

August 2018 – May 2020

Intermediate (pre-engineering)

Oct 2020 – Onwards

BS Software Engineering UIT (NED)
